Step Five "Idmitted to God, to ourselves, and to another human being the exact nature of our wrongs.

Certain distressing or humiliating memories, we tell ourselves, ought not be shared with anyone. These will remain our secret. Not a soul must ever know. We hope they'll go to the grave with us. Yet if A.A.'s experience means anything to us at all, this is not only unwise, but it is actually a perilous resolve. Few muddled attitudes have caused us more trouble than holding back on Step Five. Some people are unable to stay sober at all; others will relapse periodically until they really clean house.

Twelve Steps and Twelve Traditions pg.56 Reprinted with permission of A.A. ©World Services, Inc

Tradition Five

"Each group has but one primary purpose to carry its message to the alcoholic who still suffers."

It is the great paradox of A.A. that we know we can seldom keep the precious gift of sobriety unless we give it away. This Tradition delineates pretty clearly our individual primary purpose, as well as the group's. Each of us is but a small part of the whole, but by joining AA's primary purpose to our own, we become something bigger than our individual selves.

To work this tradition means that I am willing to say "yes" to this question and rearrange the rest of my priorities. Devoting myself to a new primary purpose means that I am willing to let go of many old ideas. I have many thinking patterns that are automatic that I need to change in order to consecrate myself to a new primary purpose.

Concept Five Long Form Throughout our world service structure, a traditional "Right of Appeal" ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.

Every member of A.A.'s world service structure has the right to state a minority opinion when they feel the majority has crossed over to the dark side. We have to recognize that there are times when the minority can be right and it is our responsibility to listen to their petition. We have seen many examples where a well stated and well crafted minority opinion can change the outcome entirely.

In the spirit of democracy, allowing the minority opinion to be heard is vital to the unity we profess we must have in Tradition 1. Being able to balance the right of appeal with majority decision ensures we will never be subjected to the tyranny of either the majority or the minority.

Spiritual Principle Five "Integrity"

Every day we are provided with "integrity moments"- those opportunities to build a stronger recovery, and to free ourselves from the mindsets of our past life. It's really not very complicated to let your simple, everyday actions be a testa-ment to recovery and the values that you stand for. Here are some simple ways to infuse integrity into your every day, with behaviors and actions that build a solid program of recovery:

1) When communicating with others, be open and honest.

2) Follow through on commitments and be dependable.

3) Own up to your shortcomings and hold yourself accountable.

Fifth Step Prayer

Higher Power, My inventory has shown me who I am, Yet I ask for Your help In admitting my wrongs to another person & to You. Assure me, & be with me, in this Step, For without this Step I cannot progress in my recovery.

With Your help, I can do this, & I do it.

Central Office Manager Salary Increase Discussion 2-15-25 – discussion was held regarding the vote that was taken on 2/15/25 and Shelly discussed that she did not think the vote should have taken place without the Treasurer being present and due to not being in position long enough. Kim chimed in with respect to time on job and standard raise cadence and the fact that the vote should be revoked due to Central Office being in revoked status. Both acknowledged that it was not a personal issue and that she deserves compensation that should be reviewed when in good standing. Melissa said that she believes that the vote should be upheld because we had a quorum based on current bylaws regardless of if we were in good standing or not because no money is being exchanged. Kara said as chair this it the only time she gets to vote and she votes for increase to stand. Shannon pointed out that at the time the vote was taken we were still operating opératin

Central Öffice Closure Retro Details & Clarification:

Kim W asked Melissa how far into the month she was paid. Melissa was paid though 2/15/25. Kim noted that she should have been paid though 2/23/25 when we had the emergency meeting and the committee was notified that we were in revoked status. Discussion was held a great length and varying opinions were shared. Kim said we should pay the Office Manager salary for the week of 2/16/25-2/23/25 in the amount of \$300.00 just like any other bill. It was decided to table the Office Manager compensation during the closure and revisit once in good standing.
