AUGUST 2007
STEP EIGHT:

PERSONS WE HAD HARMED

BY: B.D. | REYNOLDSBURG, OHIO
REPRINTED FROM SEPTEMBER 1979

In mental preparation of my Eighth Step list, I discovered that some names came to mind naturally. In most instances, we want to change for the better where our children and family are concerned. However, I found there were other people I did not want to make amends to, people I held some resentments toward--so I impulsively concluded they didn't deserve any amends. I have to keep in mind that had I behaved in a more reasonable manner, they might not have responded as they did. If the circumstances had been reversed, I might have taken the same action they chose. I have to allow others to make mistakes and be human. Harboring resentments because of something others did is, in effect, imposing my values upon them. By imposing my standards upon them, I am trying to assume God's role. I must realize I am not responsible for the actions of others, whether I approve of them or not. If I take on that task, I am passing judgment on them for reacting in a way that was unacceptable to me. I am taking their inventory.

In this Step, it states that we "became willing to make amends." This implies that there is going to be some conscious effort on my part to make all the needed amends. Those that come easy, to my old way of reasoning, would be an excellent stopping point. Yet the Step says we became willing to make amends to all those we had harmed. In going to these other people, I don't need to crawl or go on and on about how sorry I am, because this would make me appear worthless. I don't believe I need apologize for being human; rather, I simply need to acknowledge that I was at fault and humbly ask them to pardon me. I do not need to make amends on my hands and knees; I need to walk tall, without false pride. When I go in humility and sincerely ask people to forgive me, this will remove the burden from my shoulders. They, too, may have been at fault, but I am neither their God nor their conscience. I am responsible only for myself.

For me, this Step offers two features: I am being responsible, by owning up to my wrongs and making amends for them; at the same time, I accept others as they are, regardless of what they did, or of what they may do when I go to them to make amends.

It's a Step with a double feature. When doing it, we make a double play. After finishing it, we receive double indemnity. Our reward is two for the price of one.

CONCEPT EIGHT

The Trustees of the General Service Board act in two primary capacities: (a) With respect to the larger matters of overall policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of full stock ownership and of custodial oversight which they exercise through their ability to elect all directors of these entities.

TRADITION EIGHT:

Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.

Victor Valley Intergroup of Alcoholics Anonymous

Christa has been successfully added to bank account and Shelly was removed. Sales taxes for Q2 were filed and paid in the amount of $780. This payment was twice as Q1 due mainly to large sales to H&I. Melissa and Sandy compiled all monthly bills from January through June and created a backup document to retain for audit purposes.

Shelly J. motioned to accept the June financial summary, Celeste seconded, AIF.

Co-Treasurer – Christa S. – Absent NR

Newsletter –. John D. – Absent NR

Webmaster – Shelly reported an issue with Victor Valley meetings not populating in the meeting guide app. Jim F. is helping to get this resolved. All meetings are up to date on the website.

GSR – Shelly J. – Shelly reported District 19 was dark in June.

Office Manager – Melissa reported the following for June:

Office Visits	22
Information Calls	39
Call Forwarding	25
12 Step Calls	0

• Melissa entered sales figures from the Central Office table at the convention in Square. Sales taxes were not collected at the time of sale. Sandy will figure out the amount of taxes due and ensure they are paid appropriately. In the future, we will add taxes to the sale prices.

Associate Member – Celeste N. – NR

3. Old Business (updated with current status):

Webmaster Commitment – Shannon W. will reach out to Jim F. to see if he can continue assisting us. Need to continue announcing this vacancy in our meetings.

Call Forwarding – Melissa said the issue with calls not being forwarded has been resolved.

Square/Quick Books – Carry forward to August meeting.

AA on the Go – Shannon W. said Marlene took the lead on soliciting volunteers for this effort. Thus far, about 20 people have signed up to take meetings to hospitals, members' home, etc. It was agreed the list can be retained at Central Office and shared with Call Forwarding volunteers. We can share in meetings this is available for anyone interested. This is not an H&I effort, just an informal way of bringing comfort to members in need.

4. New Business

Birthday Sobriety Flyer – Sandy said this idea came up after last month's meeting. John D. and Kim W. collaborated on a flyer. Shannon W. motioned and Marlene seconded, AIF, to add the flyer to the newsletter and website, pending corrections to the QR code and treasurer's email.

Victor Valley Alano Club – Sandy introduced the new form that is needed to reserve the events room, the rental fee is now $300.

Convention Committee – Rosie stated at the closing meeting of the planning committee, it was motioned that Central Office have a representative going forward. Shannon W. said the Convention Board, not the planning committee, needs to vote on creating this new position. Shannon will contact Christina B. to raise this issue at the Convention Board meeting. To ensure clarity, a Central Office representative would serve in the Planning Committee not the Convention Board.

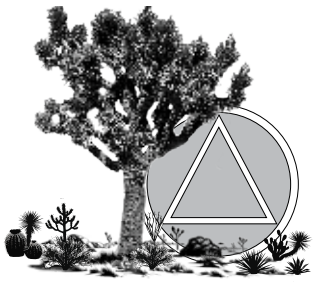

Meeting Change – Sue announced the Sisters in Serenity made a recent change to their meeting, it is again a 90 minute meeting on Tuesdays, from 6 to 7:30pm at Church of the Valley.

Convention Results – Shannon indicated the convention was not as profitable as in previous years. As a result, there will be no contribution made to Central Office.

5. Close of Meeting

Shelly J. motioned to adjourn the meeting, Sandy seconded, AIF. The meeting adjourned at 9:34. The group prayed out with Serenity Prayer.

Respectfully submitted, Rosie G.

1. Voting Officer Reports:
DCMC: Daniel H.: Met with Area registrar and was told he does not have access to the Fellowship Connection because access is not granted to DCMCs, only DCMs. Daniel received an email but could not log in because of an error, so he has submitted a helpdesk ticket. He will have access soon and be able to see who all our groups are in District 19. Trona is in our district. Within 5 miles there is four areas that come together but Daniel will not need to visit any areas with no registered meetings about having GSRs (i.e. Trona). The registrar has all correct information but for some reason it is not updated appropriately on the Area website. Daniel will be reviewing the changes to the bylaws today. This will be for review only and we will vote in September to approve any changes. If you did not get an email from Daniel yesterday with the bylaws, please provide your email today in Zoom chat or sign-in sheet to ensure Daniel has up to date emails for all in attendance.
Alt DCMC: OPEN
Secretary: Courtney Q.: Courtney will try to get May minutes for everyone for approval at next month's meeting.
Treasurer: Stacy H.: We took in $239.83 for June contributions, for July we took in $263.95 leaving us with a total of $7894.63. In June we paid for 2 SOTS conference registrations for the delegate and one guest. For July we paid for pie and some stamps which was a total of around $27. If you need reimbursement for anything, Stacy has access to reimbursement forms that you can fill out and you would just need a receipt. We have a reserve, but we are not supposed to be rich so we can think of ideas to help the still suffering alcoholic to find us. This will be brought in new business. The Area is going through an internal audit and we might also want to think about doing that as a district as well.
Registrar: OPEN
Archives: OPEN

2. Liaisons and Chairs:
H&I Liaison: Celeste: Absent
Need volunteers must come and be orientated.
Intergroup Liaison: Shelly J.: They have a new flyer to celebrate AA anniversaries by making a donation to Central Office to help carry the message. It would be an anonymous donation to help Central Office raise money. They have a few people who are going to try to take meetings to hospitals, this is for people who are already sober and in the hospital and would like a meeting.
Convention Liaison: Jerry M.: Jerry is done with the position as the conference is over, so if you are interested in taking this commitment please let us know and the planning meeting meets on August 13th. Jerry to continue in this position if no one else is interested.
CPC/PI: Mike E. … Mike ordered the workbook. It was $6.90 and he will be able to use it once it comes. He has not been able to make a meeting yet but plans to make the one coming up and there are some QR codes that people can use to get the pamphlets on their phone.
CEC: Michelle: Area 09 CEC chairman, Lisa P., has been excellent getting her information, helping her understand her role, and giving information for meetings to go to. She gets volunteers to go and take meetings to whoever it is that needs one, especially the elderly who are not able to travel freely. They meet 4th Thursday at 12:30 pm online and several districts are represented there. She is beginning to understand the responsibilities that she has as CEC. She has a flyer with QR codes with information on what is available for the older alcoholic. She has gone to the Wrightwood Community Center and put information and flyers and directories up on their message board. It is her intention to continue to do that at the other senior centers and community centers in the district. We haven't had an active chair for this work in quite a while so the work has been a bit slow to get started but it is happening.
Grapevine/LaViña: Bob O.: The grapevine is a great tool and can give us ideas of things that we can do in our own district. There is also an annual photo contest going on. The deadline is December 1. High resolution 300ppi that reflects living in serenity. Bob's left knee is being replaced early August so he is going to be out for a while. Bob is requesting 2 more subscriptions for Bridging the Gap.

3. Old Business:

D19 Guidelines Status Update - Daniel emailed a virtual copy to everyone last night. The quorum is 50% of the officers, +1 liaison, chair, or GSR. Page 6 is purpose of District Committee does not include the primary purpose of carrying the message to the still suffering alcoholic. Some changes in location. Third legacy procedures for DCMC but not any other board positions, if there is only one candidate then the person wins the election but if there is 2 or more and none of the candidates gets a • majority of the vote then no one wins and the least amount is crossed off then vote again and then it is hat drawing. Voting officer term needs to be clarified. Page 11 there is a change and the "make sure" part is removed and replaced with "provide education". Changed references to page numbering to have a link

instead, possibly remove pages to reference only Article or section in case page numbers change we will not have to go through and update all pages. Spanish speakers have their own district so should we keep the spanish calendar in the guidelines? We will take out Spanish months and take out the third legacy procedure stipulation and change to simple majority. Daniel will make a proposed draft with added description for the convention liaison. There is an area convention liaison that goes out to all conventions in the area so maybe our convention liaison should also meet with the area convention liaison and also bring flyers back to the district for conventions in other areas. We should follow what it says in the service manual while understanding that each group is autonomous.
Bank Account/Debit Card
The suggestion previously was Daniel as DCMC would be the President and on the bank account but he is not able to do that for personal reasons. The tax ID number that we have is not a certified non-profit. We have been grandfathered from a previous account and our tax ID number is the account number. We are considered a pseudo non-profit because we do not have to submit our minutes and financial reports. Lesliee had previously written a resolution that Daniel now has a copy of in case we need to change bank account holders in the future. Bob is currently still on the account as the president and will remain as such until any changes are needed.

4. New Business:
Need to fill positions:
Registrar, Alt DCMC, Archivist, Convention liaison
No volunteers
H&I Financial Support
Asking if the District would be able to support H&I as we have supported some meeting groups in the past. The 4th tradition says that we are autonomous and can make our own decisions. H&I is a separate service entity but District has helped Intergroup in the past which is also a separate entity. Because groups have donated their money to us, we should not donate their money somewhere else. Groups should only be donating to literature, individuals would have to go to H&I and donate money through the 7th tradition. We need to contact Lesliee to come down to remove her name from the PO Box and we cannot make any changes without her there in person.
2 more Grapevine subscriptions for Bridging the Gap
Courtney motions, Shelly seconds AIF none opposed
Ideas for attracting the still suffering newcomer with our monies

5. GSR Reports:

Tuesday Sisters in Serenity (Veronica) - Meets at 6pm at Church of the Valley in Apple Valley. Strong group of about 20 women each week and they volunteer one night a week to go out to Phoenix House. Very strong sponsorship there and celebrate birthdays with a potluck on the last Tuesday of the month

Wednesday Night into Action Men's Group (Josh G.) - Meets at 129 White St., there is usually 20+ men and it is a very strong group. They celebrate birthdays every week when there is a birthday. That group usually does new commitments at the end/beginning of the year. They do camping trips every year and a deep sea fishing trip yearly. They also attend the Kernville sober fest camp yearly.
Wrightwood Sunday morning meeting (Daniel) - Meets at 9am. Attendance has been falling and there were no donuts this morning. We had birthday cupcakes instead. Still a wonderful meeting and there were over 12 people today. They celebrated an alcoholic with 60 days on 7/26.

"To be grateful is to recognize the Love of God in everything He has given us - and He has given us everything. Every breath we draw is a gift of His love, every moment of existence is a grace, for it brings with it immense graces from Him.
Gratitude therefore takes nothing for granted, is never unresponsive, is constantly awakening to new wonder and to praise of the goodness of God. For the grateful person knows that God is good, not by hearsay but by experience. And that is what makes all the difference."

THOMAS MERTON

Where love rules, there is no will to power;
and where power predominates, there love is lacking.
The one is the shadow of the other.
Carl Jung
